

## DISASTER ALERT

We are informed of any disasters through direct contact, social media and news outlets.

Our board and teams are then alerted via Whatsapp and email.

## INTERNATIONAL RESPONSE

Establish the nature of the disaster. Who, what, where, when, how & why.

## VETTING PROCESS

Our team connects with local churches or disaster relief missions.

## INTERNATIONAL OUTREACH

Our team appeals for funding, recruits volunteers & arranges logistics & travel.

## LOCAL RESPONSE

Establish the nature of the disaster. Who, what, where, when, how & why.

## VETTING PROCESS

Our team connects with the local Church, Chief or community leader.

## NATIONAL OUTREACH

Our team identifies victims & their needs. Then recruits volunteers & designates a team.

## LOGISTICS & RESPONSE

Our team arranges collection and delivery of relief aid. Team leader supervises volunteers and manages distribution.

## FEEDBACK & REPORTING

Photos and footage are provided and communicated to donors and interested parties.

## STOCK COUNT & PROCUREMENT

The operational team then completes a stock count and requests procurement or donation of supplies.
